## ABOUT THE PROPERTY

Sea Cliff Beach is located 115 km or less than 2 hours from Panama City on the Inter-American Highway. This property is located 1 km from the Interamerican, has the power lines, water, cable wave, private well and has 200 linear meters facing the sea.

It's great extension makes it attractive for hikers looking for peace, solitude and tranquility. Unlike the Santa Clara beach in your neighborhood, it is very likely that you will have a huge space just for yourself. The surface of the beach is a mixture of white and volcanic sand and the sea is shallow and its bottom drops gently. Ideal for bathing or practicing all kinds of water sports.

The size of this property is 3.1 hectares
